Dear Mr. Tormasov,

Please let me know if you have received the formal papers (i.e., the declaration and assignment) at the address below? We need these papers executed by all the inventors and return to us in order to finalize the application. For your convenience, Ms. Sutanandi will soon be sending you another copy of the declaration and assignment via e-mail. Thanks in advance for your help on this matter.

he temporary in Russia, and in process of searching new appartments in this moment.

In future, please, deliver all packages of such kind to our office address (mentioned as mailing address for all inventors), and we will sign and return this staff to you.

In particular, please, send packs for Protasov and Beloussov to address of our Moscow office, as well as my (if any).

delivery address:
141700, Russia, Dolgoprudny Moscow region, Institutsky per, 9, ASPLinux, for Tormasov A.G.
